

Spinach Pesto

My family love pesto and I make it all the time. It's easy to make and it freezes beautifully so I often double up and freeze it. This version is a simple pesto with a load of raw spinach added in for extra veggie goodness. It's delicious and full of good stuff!

To make the pesto I blitzed together:

- 1 cup grated Parmesan
- 1 cup toasted pine nuts
- 1 1/2 cups (tightly packed) basil leaves
 - 2 cloves garlic
- 2 cups (tightly packed) spinach
 - 1/2 cup olive oil
 - 1 tsp salt

This makes loads of pesto
Use as much as you like and freeze the rest

Tip: also yummy on boiled potatoes, grilled chicken, mixed through a rice salad or even as a dip.
