

S'mores bake

INGREDIENTS

- 1/2 cup chocolate spread
- 6 to 10 marshmallows. Depends on the size of your marshmallows and dish. I used 6 giant marshmallows in an 8inch diameter dish
- Sweet crackers and pretzels to serve

METHOD

- Preheat the oven to 180C
- Spoon the chocolate spread into the base of an ovenproof dish.
- Top with the marshmallows but don't pack them too tightly because they will expand as they bake.
- Bake at 180C for 15 - 20 minutes till the top is puffy and golden brown.
- Serve with crackers of your choice and pretzels
